

Elevator Pitch:

Helping you get in contact with experienced Doctors instantly, in the comfort of your home.

3 Assumptions:

- 1: People waste time going in for simple sickness
- 2: Help keeping people safe during global pandemic
- 3: Keeps overall costs low

Problem Statement:

Identify whether an in person visit to the doctor is necessary.

Summarize Findings:

- 1: More Options for Doctors

Ultimately, we found that our Problem statement was easily answered and most didn't want an in-person visit.
